Top 5 points to sell LapCabby

1.

Full of features

Sliding trays & shelves, rounded corners, Power 7 energy management system, ergonomic handles, cable management... our designs are based on feedback and ideas from customers and resellers alike.

4.

Cost effective

With a striking design and variety of innovative features, we offer exceptional value across our range of storage and charging products.

2.

Safe and secure

With full electrical and third-party regulated testing, a dual-point locking system and separate power compartment, we offer products that are user friendly and child safe. Plus they come fully assembled, so there's no fiddly bits!

3.

Universal

Designed to fit a range of devices of any brand. Uses the device's own cable so makes and models can be combined in one LapCabby.

LapCabby

New thinking in IT storage

5.

Trusted

We listen to our customers and pride ourselves on our products and service. That's why people come back to us time and time again.
