LapCabby Mini 20V

1. Lyte Multi door offers individual storage compartments for access to device storage and power socket.

2. Place your device inside the locker, enter your personal 6 digit code and leave your device to charge.

3. Supplied fully assembled as a static solution, with non-marking feet.

4. 12mm grey MDF fixed shelves for extra strength.

5. Power socket located within each individual compartment.

6. IEC power cable plugs into the mains and is designed to snap out if pulled away from the wall, preventing damage to the unit or any nasty trips.

7. Well placed air vents to the base and rear allow constant air circulation, so no fan is required and devices charge in silence.

Optional Extra | Lyte Standard Base

Developed specifically for the Lyte range, the Lyte Base offers a robust, compact and agile platform to mount your Lyte 10MD.

The base is positioned on 4 x 60mm hospital grade wheels, the same ones you'll find across our mobile ranges, making moving your devices around your classroom, office or retail environment as easy and stress free as possible.

You'll still benefit from the same small footprint and we've even integrated air vents to ensure efficient cooling Space for non-marking feet to fit in securely and we supply everything you need to secure your unit to the base and cover the base with a life time warranty.

Materials	18mm MFC, 12mm MDF, 1.5mm powder coated steel
Finishes / colours	LapCabby loves a splash of colour! Trolleys can be personalised to match school colours, differentiate trolleys for different subjects or grades or just for fun! Classrooms are colourful - why put up with a black or grey square box? Blue available for the Lyte Multi Door
Safety	All products are tested to the highest standard worldwide. USA: UL 60950-1/R:2011-12. Canada: CAN/CSA C22.2 No. 60950-1/A1:2011-12. Europe: EN 60950-1/A12:2011. Safety testing is a high priority to LapCabby. We don't release any products unless the trolley has been completely certified including electrics, materials, construction and components. Leading safety testing house we test the normal operating conditions of the product but also for faults, misuse, temperature, fire risk, electric shock and injury
FREE shipping	All our prices INCLUDE shipping! (For UK and US only)
Fully assembled	Our products are delivered fully assembled. Or as we say ready to roll
Additional extras	No hidden extras, what you see is exactly what you get, everything you need is included! We make sure we include everything you need to have a safe, efficient and bright cabinet in the classroom
Future proof	Yes, we have cabinets that accommodate laptops, Chromebooks and tablets at the same time and charge all devices simultaneously. It's handy to have a cabinet that charges all sorts of devices all at the same time. Whether classroom devices get bigger or smaller, they'll fit in a LapCabby Lyte for many years to come
Cable management and ease of wiring	Separate compartment safely stores cables, cable management and electrics away. Once the coloured panel is unscrewed, full access to the cables make it quick and easy to wire up. Having complete access to the cable management reduces the time it takes to set the cabinet up and means you don't have to squeeze your hands into tight spaces. If a charger needs to be removed or you need to access the electrical compartment you don't want to have to unload the entire cabinet. For safety reasons, a locked compartment to store the electrical components is important, plus cables can go missing if they are accessible from the front of the cabinet
Usable top surface	Yes
Testing certifications	Safety tested to the highest level worldwide  
Lifetime warranty	Lifetime warranty on all products and components, 5 years warranty on electrics. Product support for life! LapCabby offers the best warranty on the market (with no small print to consider. We make it easy to understand and we support our end users for the life of the product!)

About LapCabby

Clever technology solutions that tick all the boxes

At LapCabby we understand that when it comes to storing and charging your devices you want something that looks good, won't let you down and above all is safe. We've been established over 20 years and in that time have worked tirelessly to develop products that meet the complex needs of a multitude of industries.

Our products may have changed over the years, the team has certainly got bigger and our company has gone from strength to strength, but our passion remains the same. Our commitment to customer satisfaction and high-quality products has earned us one of the best

reputations in the industry. We pride ourselves on outstanding customer service and being available to our trusted partners all over the world whenever they need us. As a family run business, we rely on our team of great people to do this.

As technology has evolved, so has our product range. From laptops and chromebooks to tablets and mini devices, we've developed unique solutions to meet the specific needs of your devices. We recognise that technology is ever changing and therefore build products that will serve you well in to the future.
