Other products you may like

1. Colored inset door handle and power compartment cover. Handles sit flush to the door to prevent protruding parts being damaged.
2. Lyte Wall option is supplied with a key and lock that includes a 7 pin activation system, tested by an independent locksmith. The double sided key has two sets of teeth making the locking system more durable, impossible to pick and substantially increases security.
3. Isolated power compartment for electrical safety secured with a 16 gauge steel cover panel fixed with security screws to conceal the electrical components preventing cables from loss or damage.

IEC power cable plugs into the mains and is designed to snap out if pulled away from the wall, preventing damage to the unit or any nasty trips.

Each Lyte Wall unit comes complete with a wall fixing kit for fixing in to masonry or stud walls.

Cable clip portholes secure cables from the side power compartment to the device compartment, to keep cables in place and prevent damage.

Slanted steel shelves allow devices to sit securely in place whilst allowing easy deployment.

Well placed air vents to the base and top allow constant air circulation, so no fan is required and devices charge in silence.

Lyte 10 Wall Door	Code	Number of Devices Can Hold	Cabinet Dimensions	Device Compartment Size
	LYTE10WD	10 tablets up to 11"	W528 x D187 x H1022mm 20.8" x 7.4" x 40.2"	W300 x D200 x H30mm 11.8" x 7.9" x 1.2"
Materials	18mm MFC, 12mm MDF, 1.5mm powder coated steel			
Finishes / colours	LapCabby loves a splash of colour! Trolleys can be personalised to match school colours, differentiate trolleys for different subjects or grades or just for fun! Classrooms are colourful - why put up with a black or grey square box? Blue available for the Lyte Wall Door			
Safety	<p>All products are tested to the highest standard worldwide. USA: UL 60950-1/R:2011-12. Canada: CAN/CSA C22.2 No. 60950-1/A1:2011-12. Europe: EN 60950-1/A12:2011.</p> <p>Safety testing is a high priority to LapCabby. We don't release any products unless the trolley has been completely certified including electrics, materials, construction and components. Leading safety testing house we test the normal operating conditions of the product but also for faults, misuse, temperature, fire risk, electric shock and injury</p>			
FREE shipping	All our prices INCLUDE shipping! (For UK and US only)			
Fully assembled	Our products are delivered fully assembled. Or as we say ready to roll			
Additional extras	No hidden extras, what you see is exactly what you get, everything you need is included! We make sure we include everything you need to have a safe, efficient and bright cabinet in the classroom			
Future proof	Yes, we have cabinets that accommodate laptops, Chromebooks and tablets at the same time and charge all devices simultaneously. It's handy to have a cabinet that charges all sorts of devices all at the same time. Whether classroom devices get bigger or smaller, they'll fit in a LapCabby Lyte for many years to come			
Cable management and ease of wiring	Separate compartment safely stores cables, cable management and electrics away. Once the coloured panel is unscrewed, full access to the cables make it quick and easy to wire up. Having complete access to the cable management reduces the time it takes to set the cabinet up and means you don't have to squeeze your hands into tight spaces. If a charger needs to be removed or you need to access the electrical compartment you don't want to have to unload the entire cabinet. For safety reasons, a locked compartment to store the electrical components is important, plus cables can go missing if they are accessible from the front of the cabinet			
Usable top surface	Yes			
Testing certifications	Safety tested to the highest level worldwide  			
Lifetime warranty	Lifetime warranty on all products and components, 5 years warranty on electrics. Product support for life! LapCabby offers the best warranty on the market (with no small print to consider. We make it easy to understand and we support our end users for the life of the product!)

About LapCabby

Clever technology solutions that tick all the boxes

At LapCabby we understand that when it comes to storing and charging your devices you want something that looks good, won't let you down and above all is safe. We've been established over 20 years and in that time have worked tirelessly to develop products that meet the complex needs of a multitude of industries.

Our products may have changed over the years, the team has certainly got bigger and our company has gone from strength to strength, but our passion remains the same. Our commitment to customer satisfaction and high-quality products has earned us one of the best reputations in the industry. We pride ourselves on outstanding customer service and being available to our trusted partners all over the world whenever they need us. As a family run business, we rely on our team of great people to do this.

As technology has evolved, so has our product range. From laptops and chromebooks to tablets and mini devices, we've developed unique solutions to meet the specific needs of your devices. We recognise that technology is ever changing and therefore build products that will serve you well in to the future.
