

32 Device Mobile USB A Charge & Sync Trolley for Tablets and USB Devices up to 11" – Horizontal

- **The TabCabby 32 Horizontal Compact Charge & Sync** charges 32 Tablets up to 11" screen size, including protective cases, plus mobile phones, POS, Kindle, Android, Surface or any other USB chargeable equipment via a USB A Hub.
- **It has horizontal storage shelves** that store two devices side by side within a compact footprint.
- **It simultaneously charges & synchronises** with the USB A managed hubs mounted in the side of the cart, delivering 10.5W charging and high-speed 480 Mbps syncing saving time when deploying apps, media and content.
- **This unit charges, connects, manages & monitors** the state of all ports and attached devices.
- **It never overcharges** as it detects when the device battery is full providing trickle charge.
- **It is easy to move** as it has ergonomic top handles, rounded corner bumpers and multi-directional non-marking wheels.
- **With Support for Life with Lifetime Warranty** (5 years electrical), shipped fully assembled.
